And Family Therapist
In Texas and Oklahoma

SUMMARY

I am an experienced graduate-level course instructor with both classroom and extensive online-teaching experience. I am experienced in variety of online virtual learning environments, and have created educational technology programs to assist in the delivery of technology based courses, marketing and social media.

TEACHING EXPERIENCE

Executive Director, Peachtree Professional Education, Inc.
Tulsa, OK — 1994-Present

I have taught continuing education courses for licensed mental health professionals and obtained accreditation from state and national licensing boards for hundreds of courses. I have taught and directed thousands of hours of live and online CEU courses, supervised academic and technical staff.

Courses Taught

- Professional Ethics
- Experiential Psychology
- Social Work and Community Development
- Diagnostic Criteria in Mental Health
- Lifestyle and Personal Development
- Clinical Methods of Counseling
- Private Practice & Business Development

Accomplishments:

- Marketing and sales of CE Programs
- Development of Learning Management Systems
- 1000's of hours of live and online classroom teaching
- Created one of the largest online CE companies in mental health and criminal justice education.

TECHNOLOGY EXPERIENCE

- Creating online learning portals for graduate-level professional development courses.
- Knowledge of scripts, programming and industry standard software in online education.
- Supervision of graphic designers, programmers and hardware technicians
- Website development using html, .css, Wordpress and

other platforms for development

- Skilled in teaching and creating processes for enhancing technical success at the college and university level
